The Butler County Agricultural Society met for a call meeting on May 26, 2020 at 7:00pm at the fairgrounds. At roll call the following members were present Turner; Bittner; Gerber; Hitbrand; Mignery; Robinson; Simpson; Vollmer and Wells. Representatives from the Butler County Health department Jenny Baler and Carri Jeager were also in attendance. Commissioner Baler discussed with the board that they have not received any guidance from the state on how county fairs are to be conducted. She advised the board on social distancing, spacing of food trucks and sanitation of restrooms. She also advised the board that the health board will look over any written plans the fair board creates. Wells reported there will be no rides at the 2020 Butler County Fair so there will be plenty of room to space food vendors. Turner reported that he talked to Somerville National Bank about deferring the mortgage payment for 2020. The bank offered to defer the payment for 2-6 months, but payment would be due in full at that time. After discussion Mignery moved to cancel the 2020 Butler County Fair. Second by Vollmer, everyone present voted yes. With no further business to discuss Simpson moved to adjourn second by Gerber. The board will meet for their regular board meeting June 9, 2020 at 7:00 pm at the fairgrounds.
